December 1986

OVERVIEW

TTE Transcripts Worldwide is a leader in the rapidly growing transcription and translation industry and a certified woman-owned business. The company provides transcription, translation, court reporting, closed captioning, and editorial services to Fortune 500 corporations, government agencies, and a wide range of companies in the service sector, as well as small businesses and individuals. Its IdeaScribe® app puts the power of mobile capture and transcription upload in the hands of iOS device users.

KEY STAFF SERVICES

- **Transcription** – Transcribe conference calls; analyst and investor relations calls; earnings reports; webcasts, webinars & podcasts; videoconferences; presentations; lectures & seminars; staff meetings; investigative interviews & hearings; press conferences; focus groups; and more.
- **Translation** – Translate voice or text from any language into English or from English into any language.
- **Teleconferences/Webinars** – Transfer words from a phone tie-in or audio upload via voice-capture technology to the Web.
- **Editorial** -- Transform raw data into usable information and package in publication-quality format and/or create executive summary.
- **Court Reporting**
- **Closed Captioning**

PRODUCT

IdeaScribe® App for iPhone, iPad, and iPod Touch (iOS 4.1 or later)

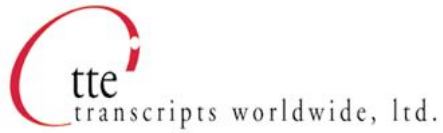

Instantaneously and conveniently delivers mobile capture and transcription upload with the tap of a button from your mobile device. Available in the App Store for \$2.99. Comes with a \$30 credit toward transcription services and includes TTE's service guarantee.
